### Ron's Report:

All fall banquets have concluded except football/cheer and girls soccer.

### Family ID:

Family ID needs to be completed by all families for the winter season. If a student plays a sport in multiple seasons, the athlete needs to complete the family ID for each season.

Winter sports – Ice hockey 5-1, bowling is 1-1, swim is 0-1. Basketball starts Friday, 12/17. Friday is a winter track meet outside (if 40 degrees and higher, will run outdoor winter track meets).

Thanks to everyone for support surrounding the tragedy of Coach Gibbs. Thanks to all of the boosters reps who have helped throughout the years while Ron was Athletic Director.

Membership Report (Lori) – Membership is doing well (356 athletes, 299 families). The membership numbers are close to 2019, which is great. If your team achieves 50% participation, team will get \$250. If your team achieves 100% membership, your team gets \$500. Send full rosters to Lori so teams can get financial credit for membership.

Treasurer's report (Alla): All teams have positive balance (except boys basketball who are making a deposit today). Hockey collected quite a bit of dues. Football has gotten donations, snack stand money and concessions. Ornaments delivered \$777, allocated to the various teams. General membership \$21K. Lions Club tree sales need coverage 9am – 6pm this Saturday and Sunday (first come first served). Each of the shift hours for the teams will get allocated funds.

### Updates/New business:

Lions Club Christmas Tree sales are going well. Boosters will get \$2,500 from the Lions Club and the money will be allocated to the teams.

Robert Ebel is running the diamond pendant fundraiser. Please advertise it to your teams. We're currently close to \$1K.

Concessions – Winter track will bring a lot of people to the outside concession stand. It's a good source of funds for the winter track team. Winter sports needs to get in

touch with Alla for the cash box for concessions. Derek may get people together to show those working concessions stand how to run it.

Jen Leonard is filling in as the Boosters Rep for Wrestling. Thank you Jen!

Twitter account – Derek is trying to find out who has admin rights for the twitter account. Vicky is willing to make updates on Twitter. Jen Leonard to try to find out who has admin rights for it. @RamapoBoosters

To honor Drew Gibbs legacy, there will be things sent out for group input. We ask that all boosters reps respond.

Derek distributed membership t-shirts to the teams for them to provide to families that signed up for the membership.

Zoom meetings may be needed if covid gets worse or if there's bad weather.

Next Meeting is Monday, January 10 in the teacher's cafeteria.

Meeting adjourned 7:40pm.
