Membership Report (Lori) – Membership 394 athletes vs. 331 last year, 330 families vs. 301 families last year. Rewards program is going well for membership. Lori is stepping down because her son is graduating. Looking for a new membership representative. Role entails overseeing membership and helping with rewards programs. Very straightforward and automated system.

Treasurer's report (Alla):

There has been a lot of activity. Girls basketball had a fundraiser, concession stands have been profitable. Alla is looking for someone to manage sign-up sheet for concession stands for games. Two forms are on the website (deposit form and expense form) which need to be completed for all deposits and expenses. Include the coach and the AD to get approvals.

Updates/New business:

Roger provided update on Drew Gibbs memorial. Proposal to name the field Drew Gibbs Memorial Field which will be printed on the scoreboard and 50 yard line. Will also have a Drew Gibbs sculpture on the top of the hill where the boys come down to the field. Market Basket will be asked if they want to contribute to the Drew Gibbs scholarship and have signage on the scoreboard.

Students are using venmo and electronic transactions, however, we are not able to use Venmo for concessions.

Student involvement committee has 3 volunteers (Tamsen, Maria, Jessica). Will meet this Thursday afternoon with Mr. Smith, Mrs. Ferraro, Mrs. Chagares, and underclassmen students to provide ideas. June 2022 is the 50th anniversary of Title 9 (equal treatment between male/female sports) which is helping with momentum behind this program. Will discuss ideas and funding at May meeting.

Next Meeting is Monday, May 16 in the teacher's cafeteria.

Meeting adjourned 7:45pm.
